12th Sunday in Ordinary Time - June 24 & 25, 2017

GOOD NEWS REFLECTION: Be bold with your good news!

Think of a time when you were in darkness: a sin, for example, or when you felt abandoned by God or your prayers seemed dry and your spiritual gifts seemed covered over. What did Jesus say to you at that time (perhaps through scripture or friends or a homily at Mass)? What did his whisperings tell you? His words and his guidance were good news for you!

In this Sunday's Gospel reading, Jesus says: "What I say to you in the darkness, speak in the light."

He's calling you and commissioning you and empowering you, through his Holy Spirit, to share your good news with others, so that they can hear him in their darkness. Proclaim it boldly and visibly so that those who want to hear it will stop and listen. Do not be afraid to openly share how Jesus has been working in your life and how he's helped you grow or heal or turn away from sin.

Yes, when we're this bold, some people ridicule us and reject us, like how Jeremiah was treated in the first reading. But the Lord is with you, too, as "a mighty champion," and your persecutors will eventually stumble and fail. Jesus tells us to "fear no one." God takes good care of us.

Jesus acknowledges those who acknowledge him. In other words, when we're insulted or persecuted for our faith, God holds us and comforts us. It's his opinion of us that matters anyway, and no one else's. Listen to him. In the whispers of the sanctuary of your heart, he's telling you all the good that he sees in you. He's telling you that he appreciates the good you have done. He's giving you good news worth sharing.

Questions for Personal Reflection:

What is your testimony? What did Jesus teach you when you were in sin or handling a recent difficulty? Write it down; this exercise will help you feel more confident when you try to share your story with others.

CWL Care Notes: Please check out the new supply of CareNotes. These small, easy to read booklets bring messages of hope and compassion to those who are in need of comfort and support. These booklets are free, complimentary of the CWL and are located in the shelving unit above the religious cabinet. We encourage everyone to take one home to read and enjoy while sitting in your favorite chair on the deck or in your yard during the hot days of summer. It does not take long to read one booklet, then return it, to exchange for a different topic. These care resources communicate that God cares and is near to us in good times and in bad.

St. Vincent de Paul Running Team Takes First Place!

The St. Vincent de Paul Parish Running Team took first place in the 15km relay event at Weyburn's Opportunity Road Race on June 18. Our training continues this summer as we aim to participate in the Queen City Marathon in Regina this September. The team still has space for more members, so if you are interested in joining us for fun, fitness, and Catholic fellowship, please text James at 306-861-4032.

Parish Library is Open!

The St. Vincent de Paul Parish Library is open! During weekend Masses there will be a cart of books near the entrance of the church with a selection of books and DVDs. The library operates on the honour system so to check out an item simply complete the logbook on the cart. Please return items within 3 weeks after check out so all parishioners have access to the materials. Thank you!

Can you help us? We are looking for volunteers from our Parish who would be willing to drive 2-3 members of the Warda family to the 11 am Sunday Mass. Their address is 405 Confederation Drive up on South Hill. This distance is too far for some family members to walk. A signup sheet is at the back of the Church. Please choose a date (s) that works for you! What a wonderful way to live our Catholic faith by showing this family that we care about them and are willing to help them! Thank you in advance for being good stewards and sharing your time to make this family feel a part of our parish and community!

Stewardship Is...

Love in Action

Assisted Suicide and Euthanasia – Think About It!!

Many doctors and other health professionals who want nothing to do with killing their patients may feel forced to leave the profession. Young adults considering a medical profession may choose another path if they are expected to become killers instead of healers.
