Easter Sunday - April 15 & 16, 2017

GOOD NEWS: How has Jesus helped you?

Are you ready to proclaim the Good News about how Jesus has helped you? What holds you back? Do you hesitate because you don't yet understand how the deaths in your life (the sacrifices, the lost hope, the broken relationships, etc.) have been resurrected into new life?

Such hesitation was the mental state of the disciples on the first Easter morning, as depicted in the Gospel of John.

The attitude of Peter in the reading from Acts is quite a contrast! The disciples now know their calling: They were empowered and commissioned to testify that Jesus is the Savior, and they fully embraced this vocation.

Do you understand how Jesus is turning your tragedies and other difficulties into triumphs and great blessings?

To "testify" means to share the truth based on your own experiences. Peter specifically proclaimed that everyone who believes in Jesus receives forgiveness of sins. Of course he did! Peter knew first-hand what it's like to need and then receive Christ's forgiveness.

We will not understand much about how our sufferings have led us to a new and blessed life until we start talking about it. The first inklings of insight awaken when we discuss it within our close, holy friendships, like Mary of Magdala did when she ran to Peter and John after discovering the empty tomb. They, in turn, told the other disciples.

It was while they were together -- in community -- that Jesus appeared and revealed his resurrection to them. Later, after having lots of time to talk about it with friends, the Holy Spirit empowered them to go out and evangelize the world by sharing their experiences with anyone willing to listen.

Questions for Personal Reflection: The empty tomb doesn't immediately make sense. What has been confusing to you during your faith journey? What has caused you to feel empty and frightened? Where might Jesus be in this?

*Set your minds on things that are above, not on things that are on earth." Colossians 3:2
Do you put God first in all things? Possessions, money, power, ego can easily become gods to many of us. Do a quick check of what is important to you. Is God at the very top of the list?
If not, your priorities need to be re-adjusted. Don't let earthly things become a god before God.*
