

Catholic Education Week 2020

The Catholic School Divisions within the Province of Saskatchewan will celebrate Catholic Education Week 2020 like never before. The remote learning environment we are living in during Covid-19 times will be filled with our theme, **Igniting Hope**, during the week of **May 17-24, 2020**. Materials are being developed for sharing via the various platforms that schools are using to engage students, families and communities including:

- Video conferencing
- Social media
- Email
- Websites
- Etc.

The materials include daily prayer and reflection as well as suggested social media posts. On **Thursday, May 21, 2020, World Catholic Education Day**, a liturgy led by Archbishop Donald Bolen will be livestreamed at 11:00am. The event will be recorded and available for viewing at another time if so desired.

Subthemes for the week include:

- Our Hope in Christ
- The Hope Within Us
- The Hope Among Us
- A Future Full of Hope

Let's continue the rich tradition of joining with our neighbours and friends across the province to celebrate **Catholic Education in Saskatchewan**.
