## **We plant, but God's grace makes seeds grow.**

Jesus often used simple yet profound parables and stories in His teachings about the Kingdom of God. He likened the growth of tiny seeds to the patience and trust required in our spiritual journey. This message resonates with us today, reminding us that even the smallest acts of faith can lead to incredible spiritual growth...in ourselves and others.

In our daily lives, we can take comfort in the fact that the Holy Spirit, our divine Gardener, works wonders with the seeds of faith we sow. When we do our part and leave the rest to God, the Holy Spirit grows miracles around us. We must trust the supernatural work of God to take our efforts and turn them into good. Our part involves planting seeds of faith through our steady prayers, trusting in God's Holy Will through our small and large actions of obedience, and generously sharing the Gospel of Christ with others through our words and loving deeds. This is what Jesus meant by building the Kingdom of God. Just as one cannot stand in front of a flower garden and notice it growing moment-by-moment from the seeds we plant, we know that if we keep watering and weeding, God will provide everything else and, in good time (God's perfect timing), the garden of our lives will blossom and be beautiful.

Through our Baptism, we are not just followers but active participants in building up the Kingdom of God. This involves sharing the Gospel and our faith in Jesus daily. The seeds we plant are often little things like mentioning prayer and thankfulness to God when speaking with family and friends. It might be the little acts of kindness we show others when they need help or a lift. Our joy and hope in Christ are seen in our steadfast commitment to attending Mass and living a sacramental life even when life becomes busy and challenging. These seemingly small actions are the seeds that, with the grace of God and guidance of the Holy Spirit, can grow into a flourishing Kingdom of God in our lives and communities.

## **Questions for Personal Reflection:**

How are you planting seeds of faith in your family, community of friends and acquaintances, and the larger world? How are you tending to the seeds of faith you are planting in others?

## **Questions for Community Faith Sharing:**

Who planted and tended to the seeds of faith in you, and was patience needed for you to grow? As weeds can crowd out a garden and stunt growth, what must we work to weed out of our lives and society to help the Kingdom of God grow in holiness? How does trusting in the potential of God's grace to grow the seeds of faith we plant help us in ministry?

**Stewardship Bulletin Bit:**

**11th Sunday in Ordinary Time** - "For we must all appear before the judgment seat of Christ, so that each one may receive recompense, according to what he did in the body, whether good or evil." - 2 Corinthians 5:10. We are all accountable for all of the gifts God has given us – our time, our talent and our treasure; everything we have and everything we are. Each of us is accountable not only for our own life but for the lives of others as well. One day, God will ask each of us what we did with the gifts we were given. How will you respond?

**Psalms: The School of Prayer Summer Bible Study**

We recite one of the Psalms during every Mass, even weekday Masses. The Holy Spirit inspired the Psalms, Israel sang the Psalms for generations, the Psalms foretold the life and mission of Jesus, and Christ Himself recited the Psalms, even while dying on the Cross. At the heart of the Bible are the Psalms and yet how much do we as Catholics really understand them? Join us for an 11 week summer Bible Study as we dive deep into the Psalms. We will discover how these sacred hymns become our heartfelt response to God's loving and wondrous deeds. Through a combination of readings, discussion questions, and videos, presenters Jeff Cavins, Tim Gray and Sarah Christmyer will be our guides towards establishing a deeply personal dialogue with God through the Psalms. Sessions are every Wednesday, 7-9pm, in the Church basement, June 26 to September 4. Workbooks are \$10 (partial cost recovery) payable at the first session. Please register on the sign up sheet at the back of the Church so we can plan for seating and workbooks. We look forward to exploring the Psalms with you this summer! A project of the Spiritual and Adult Faith Formation Committee.

James Pick of the Week

**It is Right and Just: Why the future of civilization depends on true religion by Scott Hahn and Brandon McGinley.** This book makes the bold claim that true religion, Catholic Christianity, is a matter of fundamental justice in our relationship with God. The Church is essential not only to our eternal destiny but to human flourishing here on earth. Authors Hahn and McGinley argue that liberal secular societies are fundamentally idolatrous, doomed to failure and collapse. The Church can rejuvenate persons, families, communities, societies, and civilization itself. Now available in the Parish Library. *Pro Libris!*

**CWL "TALKING POINTS" CONNECTION - My Catholic Women's League council is parish-based yet connected to Canada's largest women's organization. How connected are you? You will meet women from your region, diocese, province and country by becoming involved in your parish Catholic Women's League council! Your place is among us!**

Thank You

**Appreciation:** Angelo wishes to thank all the volunteers that assisted during the Oil and Gas Show at McKenna Hall.

**As we head into our summer months, please note for the month of July and August, we will have one bulletin for each two weeks, rather than a weekly bulletin. This means that the deadline for articles in the bulletin is two weeks in advance!**
