## Prepare for the Storms in Our Lives

Springtime weather is unpredictable and dangerous in Tornado Alley, the Midwestern region of the United States. Destructive, violent winds and funnel-shaped clouds can wreak havoc on communities. During storm season, meteorologists do their best to watch and warn everyone when conditions look volatile so they can heed warnings, take appropriate shelter, and be prepared. Meteorologists carefully observe atmospheric conditions, windspeeds, and supercell thunderstorm circulation, but there is usually a lot of uncertainty about when, where, and if a “terrible twister” is coming. Sometimes, disaster is unavoidable even when people are prepared, and good people become victims of tragedy.

Life often throws unexpected storms our way. When we think everything is under control, we might face a sudden health scare, a job loss, a relationship crisis, or the heart-wrenching loss of a loved one. Then what?

We can weather storms by building shelters for spiritual support and peace before bad things happen. We can acknowledge our need for God the Father who made and loves us. We can develop and nurture a personal relationship with Jesus, our Lord and Savior, through study, prayer, participation in Mass, and receiving the sacraments. We can prepare by surrendering our hearts to the Holy Spirit, who is with us to guide and protect us against the evil snares of the devil. We can prepare our hearts to rely on God and to accept the things we cannot change with grace and peace, knowing that Christ keeps his promises to be with us always, even in the storms of life.

It is helpful to remember that the storms we face often draw us closer to God and teach us to rely on Him fully. When we suffer through storms, our reliance on divine help builds our hope and trust in Him, the “Father Almighty,” whom we affirm in our Profession of Faith at Mass. This journey of faith and resilience allows us to share our experiences with others who need help. Mark’s Gospel reminds us not to be afraid and to be patient. As children of God, we are heirs of His grace and He promises to be with us always.

**Questions for Personal Reflection:** How are you nurturing your shelter in Christ ahead of possible storms? How have you waited for God’s help during a storm, and what helped you be patient? How have you shared the peace of Christ with others who are going through a storm?

**Questions for Community Faith Sharing:** If God is Almighty and loves us, why do “storms” – bad things – still happen to good people? How does Christ's suffering, death, and resurrection bring hope in life’s storms? How does the Holy Spirit help in difficult situations?

### Prayer to End a School Year.

As we conclude this school year, we ask for your divine protection and well-being for all students.

Watch over us them as they embark on summer adventures, keeping them safe from harm. Grant them good health, resilience, and the ability to make responsible choices. Help them to find joy and purpose in each day of their break and guide them back to the path of learning when the time comes. We are grateful for the gift of education and the opportunities it provides. Amen.

### The Fair runs July 4-6, 2024!

Shift work sheets are set up in the Church foyer and again we will need many workers beginning July 2 - 7. Now is the time for high school kids to get volunteer hours and find out that it is a blast working the booth! Donations of pies will be accepted July 2nd or 3rd. No cream pies can be accepted but all others gratefully accepted. Please look and see where help is needed. Whatever ministry you work for will be accredited.

## **Stewardship Bulletin Bit: 12th Sunday in Ordinary**

**Time** *"Then he asked them, 'Why are you terrified? Do you not yet have faith?'" – Mark 4:40*

Do you really trust God? Is God your first choice or last resort? Is your faith something you just do on Sunday or do you live the Gospel message every day of the week? Many of us know about God. How many of us have a personal relationship with Him? Start now, open your heart to receive our Lord. Talk and listen to Him every day. Move your discipleship from head knowledge to heart knowledge.

## **Psalms: The School of Prayer Summer Bible Study**

We recite one of the Psalms during every Mass, even weekday Masses. The Holy Spirit inspired the Psalms, Israel sang the Psalms for generations, the Psalms foretold the life and mission of Jesus, and Christ Himself recited the Psalms, even while dying on the Cross. At the heart of the Bible are the Psalms and yet how much do we as Catholics really understand them? Join us for an 11 week summer Bible Study as we dive deep into the Psalms. We will discover how these sacred hymns become our heartfelt response to God's loving and wondrous deeds. Through a combination of readings, discussion questions, and videos, presenters Jeff Cavins, Tim Gray and Sarah Christmyer will be our guides towards establishing a deeply personal dialogue with God through the Psalms. Sessions are every Wednesday, 7-9pm, in the Church basement, June 26 to September 4. Workbooks are \$10 (partial cost recovery) payable at the first session. Please register on the sign up sheet at the back of the Church so we can plan for seating and workbooks. We look forward to exploring the Psalms with you this summer! A project of the Spiritual and Adult Faith Formation Committee.

## James Pick of the Week

Male, female, other? A Catholic guide to understanding gender by Jason Evert. Few words create as much controversy as "gender." Catholic author and chastity speaker Jason Evert addresses the most common claims of gender theory and how to respond from a Catholic perspective. What if my child says she is trans? Should I use preferred pronouns? Does surgery prevent suicide? Are puberty blockers safe? If you care about someone who identifies as trans and don't know how to respond to these and other questions, you'll find clear and charitable answers here. Now available in the Parish Library. Pro Libris!

**CWL "TALKING POINTS" CONFIDENCE** The Catholic Women's League relies on the teachings of the Catholic church to guide it. As a member you can be confident that what you do will further God's kingdom here

Thank You

**Appreciation:** Angelo wishes to thank all the volunteers that assisted during the Oil and Gas Show at McKenna Hall.

**As we head into our summer months, please note for the month of July and August, we will have one bulletin for each two weeks, rather than a weekly bulletin. This means that the deadline for articles in the bulletin is two weeks in advance!**

**Pray:** Lord Jesus, thank you for the growth and peace you often bring through storms. Amen.
