Christ the King Sunday

Good News Reflection - The King of Reality

When the question of Christ's kingship comes up in this Sunday's Gospel reading, Jesus redirects us to the true meaning of divine kingship. Without denying that he is the king, he says: "The reason I was born into the world is to testify to the truth." He is not the king of a country or a world; he is the king of truth, the ruler of reality.

The perception of reality that we develop when Jesus is not our teacher and interpreter and revealer of truth is warped and blurred by the falsehoods and misunderstandings and counterfeits that float around in the kingdom of the world, which is ruled by Satan. But wait! The very idea that this world is ruled by Satan is a warping of the truth. It's not reality. Remember, Jesus came into the world to destroy the devil's domain and to bring all of creation into his kingdom. Those in this world who accept Christ's kingship listen to his voice and live in that truth.

When we sin, it's because we don't fully understand the reality of the situation. Jesus is not yet fully the king of that part of our lives.

For example, think of a person who has asked you for something that you cannot afford to give. Perhaps it's the building project at church. Or the sick neighbor. Or the co-worker who doesn't have the level of faith that you have. Or the aging parent who needs more and more assistance.

Do you feel like you don't have enough to satisfy their needs? Are you so tired and downtrodden from your own burdens that you cannot take on someone else's? Well, it's our flesh nature that says we cannot enjoy doing more for others than we're already doing. This is a warped view of reality; it looks like we'll be happier if we cater to our own desires instead of taking care of someone else's need.

In true reality, a joyful lifestyle develops when we listen to the voice of Jesus, even when he says, "go the extra mile" or "be like the Good Samaritan and take a detour to minister to others". We have to trust the truth that he teaches, regardless of how little we understand it. Understanding grows in the doing of God's will more than in the thinking about it. Joy grows as we gain the understanding that comes from seeing some of the fruits of what we've done. When we sin, it's because we cannot envision the good fruits that will come from doing things the way Christ tells us to. Under his kingship and the Holy Spirit's wisdom, we gain freedom to overcome all of our sinful tendencies.

Bulletin Bit – Feast of Our Lord Jesus Christ, King of the Universe

"Jesus answered, 'My kingdom does not belong to this world.'" (John 18:36)

Life is short. How much time, energy and money do you put into building "your" kingdom here on earth? We all know we can't take it with us. The real kingdom is in the next life. Yet, how much time, energy and money do you invest in working for that eternal kingdom? Ask God for His guidance. Detach from earthly possessions. Generously share your material goods with others for the greater glory of God.
