October 19 & 20, 2019 – 29th Sunday in Ordinary Time

Good News Reflection - God is coming to your rescue!

In this Sunday's Gospel reading, God promises to secure the rights of his faithful ones who seek his justice. When we're abused, neglected, rejected, abandoned, or falsely accused, God comes to our rescue. And speedily, he says! What? He's not helping you fast enough? Is he breaking his promise with you?

Although God often seems way too slow, whether it takes months or years (and it often does) before your problem gets resolved, Jesus is in fact at your side immediately delivering you from evil, in the very moment you begin to cry out to him. The real question is not "Where is Jesus?" nor "Why doesn't he care enough to help me sooner?" The question that matters -- for the healing of our souls -- is stated in the last sentence of this Gospel passage: As he's arriving to help us, do we greet him with faith? Or is fear spinning our minds in such turmoil that we don't see him as he stands right next to us offering a helping hand?

If we're not living by faith, we inadvertently expand our problems. Are you feeling miserable after calling upon God for help? Look! Jesus is at your side begging for your trust. Are you feeling frustrated because God is not removing the obstacles you're facing? Look! Jesus wants you to follow him in a direction that's different than where you think you should go. We all have adversaries. Jesus is wielding his sword of truth against the spirits of darkness who are working against you; he is driving them away. But if we reject the truth he wields, his sword is of no help to us.

What about the troublemakers who continually annoy you? When our eyes are on them instead of on Jesus, we miss the healing embrace that he's offering to us as vindication.

When we live by faith, we experience God's vindication every day, even while injustices continue. We experience it in our hearts as we receive his peace and his patience and his endurance.

Questions for Personal Reflection:

What injustices are frustrating you today? What evil is being done against you? What will you do right now to be a faith-filled follower of Christ? What action will you take to conquer your fears and choose to give God your trust?

Archbishop's Appeal - Many have referred to St. Paul as “The Persistent Apostle.” Thus, Paul serves as a great example and model for what is laid out for us in all the readings for this 29th Sunday in Ordinary Time.

Persistence and its importance to people of faith is an intricate part of each of the readings.

The conversion of Paul is recounted six times in scripture — three times in the Acts of the Apostles and three times by Paul himself in his letters. The intensity and the persistence of Paul's faith lead us to see how important persistence is to live our life as disciples of Christ.

From the persistence of Moses in the first reading from Exodus, to Paul's urging us to “be persistent” in his letter to Timothy, to the Parable of the Persistent Widow in the Gospel from Luke, we are advised that we should always pray and never give up, work for good even when it seems nothing's changing, give even if our giving is too little to be significant. The turtle wins the race in the ‘Turtle and the Hare’, very slow in his little steps, but persistently moving forward without let up towards the finish line. No matter how little we can afford to share in the Archdiocesan Annual Appeal, but done lovingly and consistently, we are confident that God will multiply it with overflowing for His purpose.

Perseverance is a hallmark of a disciple of Christ. Good Christians know that living in that way is not always easy and comfortable. Yet with the grace of God, the strength to both live that way and to fulfill Jesus' call to carry our lives as disciples of Christ is both possible and a path to great joy and happiness.

October is the Extraordinary Missionary Month

Today on World Mission Sunday, we are invited to celebrate our mission's vocation to pray for the people who are actively engaged in mission, and to generously contribute to our worldwide mission solidarity fund through this collection. Your gift on this day helps: People in remote villages, towns and cities, through the witness and work of missionaries and local priests: children, the elderly, refugees, the sick, and orphans through the services of religious Sisters and Brothers; to bring the Gospel to the poorest of our human family; catechists proclaim the message of hope and peace that only Christ can give. Please offer your prayers for the work of the church in the missions today and be as generous as you can on World Mission Sunday.
