## **He Has Done All Things Well**

How do you expect the Lord Jesus to treat you when you ask for his help? Do you approach with fear and doubt, or with faith and confidence? Jesus never turned anyone aside who approached him with sincerity and trust. And whatever Jesus did, he did well. He demonstrated both the beauty and goodness of God in his actions.

The Lord's touch awakens faith and brings healing

When Jesus approaches a man who is both deaf and a stutterer, Jesus shows his considerateness for this man's predicament. Jesus takes him aside privately, no doubt to remove him from embarrassment with a noisy crowd of gawkers (onlookers). Jesus then puts his fingers into the deaf man's ears and he touches the man's tongue with his own spittle to physically identify with this man's infirmity and to awaken faith in him. With a word of command the poor man's ears were opened, his tongue was released, and he spoke plainly.

What is the significance of Jesus putting his fingers into the man's ears? Gregory the Great, a church father from the 6th century, comments on this miracle: "The Spirit is called the finger of God. When the Lord puts his fingers into the ears of the deaf mute, he was opening the soul of man to faith through the gifts of the Holy Spirit."

The transforming power of kindness and compassion

The people's response to this miracle testifies to Jesus' great care for others: He has done all things well. No problem or burden was too much for Jesus' careful consideration. The Lord treats each of us with kindness and compassion and he calls us to treat one another in like manner. The Holy Spirit who dwells within us enables us to love as Jesus loves. Do you show kindness and compassion to your neighbors and do you treat them with considerateness as Jesus did?

**Stewardship Bulletin Bit: -September 5, 2021**

“Did not God choose those who are poor in the world to be rich in faith and heirs of the kingdom that he promised to those who love him?” (James 2:5)

What is more important – being rich in faith or rich in possessions? Society tells us that possessions are most important. God teaches a different lesson. When we are rich in faith, we keep God first and experience true joy and peace. When we put possessions first, we soon realize we can never have enough and happiness is fleeting. When we put faith over possessions we truly realize it is better to give than receive.

We want to congratulate Ron & Josie Klein on their 55<sup>th</sup> Wedding Anniversary September 10th. May God bless them with love and happiness!!
